In short it becomes a clustertruck despite the frantic energy of the game it s a short title that won t leave you feeling drained plus there are sweet abilities you can unlock along the way that will have you excited for hurtling past the next truck

It s not all about the gameplay though there s plenty of hidden lore to unearth the roots of which will leave you mulling over the history of this forgotten creepy crawly kingdom for long after you roll the credits

More Information

An awesome metroidvania style rpg exploring a tiny world of bugs underground hollow knight is a meaty slice of 2d action pitting you against brutal bosses and perilous platforming sections across your journey

Mechanically it doesn t stray far from conventional jrpg elements but it s such a flashy game with so much style and panache it feels remarkably modern it goes to show how far art direction can go in making a game world come alive the story follows a group of

high school students each with their ambitions and plots working together to curb the wicked intentions of the surrounding adults despite its staggeringly long runtime it still feels like a spoiler to go into much more detail than that

The latest instalment in one of gaming's best suited crossovers total war warhammer 3 combines the epic fantasy lore of warhammer with the grand strategy of total war to create a fantastically immersive experience

This first person survival epic has you marooned in the middle of the ocean after a plane crash everything is trying to kill you from sharks and snakes to the elements themselves craft primitive weapons to keep the beasts at bay all while discovering a way to make it home alive deeply addictive and now with co op multiplayer

Golfing has never been more relaxing or stress inducing than in golf with your friends this casual golfing title might seem like an enjoyable co op experience for a group of friends to partake in but beneath this seemingly tranquil surface is a turbulent and infuriating game that will break friendships instead of clubs easing a golf ball into a hole becomes a practice in impossibility thanks to convoluted courses from water falls to ghosts to black holes an array of jaw dropping obstacles stand in the way of making par is it annoying to sink every swing on a single hole yes is it easy to get lost in the dazzle of new courses most certainly is it an immense amount of fun to play always

Conclusion

Endlessly surprising as you connive your way to the top fall back down again then claw up the rungs once more as your disposed king's rightful heir crusader kings 3 shows that even though the weight of a crown wears heavy it's a lot of fun to try and keep it from toppling

One of the best roguelites anywhere let alone on game pass dead cells combines brutal combat and hardcore platforming with a memorable dark pixel aesthetic to create

something as engrossing as it is rewarding
