How the Garena Free Fire redeem codes work

The redeem codes, shared by Garena, are alphanumeric strings of 12 to 16 characters. Players must log in to the official Rewards Redemption Site with their Free Fire MAX account, enter the code, and collect rewards from the in-game mailbox. Each code can be redeemed once per account and is available for a limited time. Since the codes carry a maximum usage limit, some may expire sooner than expected.

Redeem codes are special alphanumeric combinations released by Garena that allow players to claim in-game rewards such as weapon skins, outfits, and diamonds for free.

The codes are available for a limited time and may expire anytime. They also carry a maximum usage limit, which means they can become invalid once too many players redeem them.

Can I use a Free Fire MAX redeem code more than once?

No. Each code can only be redeemed once per account.

Where do I redeem the Free Fire MAX codes?
